A 'Real Independent'
For Florida District 23
It takes only 'ONE' to be
a Force Multiplier

Mark Napier for Congress 2022 Committee
1007 North Federal Highway, No. 26
Fort Lauderdale, Florida 33304

I want to Thank You for this opportunity to address your organization. My name is **Mark Napier** and I am a '**Real Independent**' **Congressional Candidate** for Florida District 23 that covers parts of both Broward and Palm Beach Counties. I would appreciate your organization's support in permitting equal access and opportunity that is afforded to the Republican and Democrat candidates in addressing your group.

My website: NAPIERforCongress2022.org is comprehensive and transparent on policy issues that I would pursue in representing and working with not just the Visionaries (business leaders of SOFLO), but more importantly--like Shirley Chisholm in 1972 who was the first black woman to be elected to Congress--to represent the Dreamers. I want to represent the Middle- and Low-Income class that have become the 'Discarded and Forgotten' who have no voice in Congress.

I am from Kentucky originally and the youngest of 8 boys of a middle-class household. I put myself through college and hold Master of Science degree in International Management. I devoted 20 years to the Central Intelligence Agency (CIA) and 26 years to the US Army National Guards and Reserves. I was mobilized twice following Desert Storm and the 9/11 attacks.

Though I lived in Florida since 2005, I spent nearly four years in the combat zones of Iraq, but mainly Afghanistan for 3 ½ years as Deputy Chief of a CIA Base at Bagram Airbase, Afghanistan for 17 months and conducted Counterterrorism Operations along the Afghan/Pak border for two + years.

My experiences span the areas of Federal Law Enforcement, Counterterrorism, Export Controls of Weapons of Mass Destruction, Defense Industry Analysis, Risk/Threat Assessment & Management, Military Support to Civilian Authorities Operations, Contingency Operations-Planning & Exercises, and Middle East Peace (Israel) outside my military experiences as an Intelligence Officer.

When I say Independent, since age 18, I look at the person and not their party. When I say '**Real Independent,**' it means I do not move Left or Right, I move Forward. Sometimes, however, you got to 'advance in the opposite direction' to regroup and turn weaknesses into opportunities for success to move forward.

I seek ways to bring common ground between conflicting elements to solve a problem using a pragmatic approach and common sense by envisioning a solution drawn from my military

“Leadership Values,” in addition to my analytical and operational career backgrounds, to sort through facts versus distractions.

I speak from the heart and get the job done. I know I can contribute to government reforms and 'sound' foreign and domestic policy decision making, while advocating across many boundaries based on experiences and life changing events, including five years of chronic homelessness. I am not Bought, Biased or Filtered and that is why I am the best choice.

My Focus of course would be on Inflation, the Economy, National Security, and School Safety. My Vision would be....”To Build a solid foundation that continues to create and promote ‘consistent’ economic prosperity throughout District #23 and south Florida’s various industries, goods, and services for all.”

I am not into “Slap and Tickle Politics, Kardashian Theatrics, nor am I a Peekaboo Politician.” So, if you like what you have read, please include me in on your organization’s forum. Additionally, feel free to download my "virtual yard signs” from my website and widely disseminate through your network of family, friends, and colleagues through social media, text and emails to consider **Mark Napier** as their next representative in Congress on 8 November 2022 General Election.

Thank You!

V/R Mark Napier, MAJ, Ret. USAR
